

Making Health A Lower-Cost Productivity Driver

Thriving Solutions Training for Risk Managers, CFOs, CEOs, HR Directors

THE GENIUS FOCUS

PROBLEMS TO SOLUTIONS

This dynamic training combines two skill sets and applies **The Genius Focus** to achieve these business results:

- Healthy people to work
- Lower total illness costs to operate profitably and compete globally

Skill Set 1: How to translate physiology into finance

Learn the core executive competency needed to cut lost time costs in half

- Eliminate the single primary source of 50% of absenteeism and 75% of doctor visits.
- Develop proactive health & productivity solutions by applying business acumen to health.

Skill Set 2: How to produce solutions from problems and challenges

Learn the five mental patterns that create solutions, innovation, teamwork & continuous improvement

- Streamline & maximize meeting productivity – not problem-solving.
- Enjoy optimal psychological health – at work and home.

Call to Schedule: (360)730-1114

STRATEGIES & TOOLS TO:
